PHA Plan Update

(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:

The Wausau Community Development Authority (WCDA) Board of Commissioners adopted a February 2011 revision to its Investment Policy and is currently in the process of revising its Capitalization Policy. The WCDA is nearing completion of an update of the Admissions and Continued Occupancy Policy (ACOP) applicable to the operation of its public housing program.

The Section 8 Housing Choice Voucher waiting list has remained closed since February 2010 as the estimated waiting period for housing assistance applicants exceeds 36 months. In response to the HCV leasing optimization effort, the WCDA's plan is to increase our numbers to help as many families as possible while maintain an average 1 ½ - 2 month HAP reserve. Some obstacles preventing this goal have been the current attrition rate, the low rate of response to letters sent to applicants at the top of the waiting list and staffing levels at the WCDA..

In the fourth quarter of 2011 we are hiring an additional staff member to assist in administering both the Public Housing and Section 8 Housing Choice Voucher programs.

In an effort to overcome occupancy issues in our elderly/disabled public housing, we are continuing marketing initiatives but currently have a very brief waiting list, lack qualified applicants and are competing with new construction and newly remodeled units in the Wausau area. That being said, we do have plans to renovate Riverview Towers via our tax credit project, adding additional amenities to attract clients. Another initiative we are considering is lowering the elderly age limit from 62 to 55.

The WCDA's financial statements for fiscal year ending December 31, 2010 were audited by the independent auditing firm, Schenck, which resulted in no findings.

The WCDA supports the goals of the VAWA amendments and complies with its requirements. To ensure that all tenants and program participants are notified of their rights and provisions under VAWA, they are provided with 1) "*Violence Against Women in the Federally Funded Rental Assistance Housing*" pamphlet; 2) "*Certification of Domestic Violence, Dating Violence or Stalking*" (HUD-50066); 3) 2007 *Wisconsin Act 184*. The WCDA maintains signed certification by each tenant/program participant acknowledging receipt of these documents and accepting responsibility to read them. The WCDA has had no tenants/program participants invoke the VAWA policy.

(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.

The Annual Plan is available for public inspection at the Wausau Community Development Authority office at 550 E Thomas Street, Wausau, Wisconsin 54403, and at the Community Development Department office at 407 Grant Street, Wausau, Wisconsin 54403

	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p><u><i>Mixed Finance Modernization or Development</i></u> The Wausau Community Development Authority (WCDA) has partnered with Gorman & Company, Inc. for the renovation/rehabilitation of the Riverview Towers public housing development located in the City of Wausau at 500 Grand Avenue. The project will involve the renovation of an existing public housing complex that is owned by the WCDA.</p> <p>Riverview Towers is a 10-story elevator building containing 149 units of elderly/disabled apartments being operated as Annual Contributions Contract (ACC) public housing units. The renovated project will consist of [146] one bedroom, [2] two bedroom low-income LIHTC/ACC units. There will be one market rate unit, bringing the total count to 149.</p> <p>The developer will substantially rehabilitate all units within the project. The rehabilitation will be performed while residents remain and are relocated to a different unit within the same building. It is anticipated that a resident will be temporarily relocated from his/her unit while renovations are being made, for four weeks. Gorman plans to renovate 10 units at a time.</p> <p>The development will consist of updated and modernized amenities that include, but are not limited to, energy efficient lighting, new carpet, sheet vinyl flooring, new appliances and new plumbing as necessary. In addition, there are improvements planned for non-dwelling areas including parking garage expansion, elevator equipment upgrades and exercise facilities.</p> <p>Upon the rehabilitation completion of the units, residents will be returned to their previous unit or a comparable unit. This process will continue until all units are renovated and will be conducted in keeping with the Uniform Relocation Act.</p> <p>The project is scheduled to commence on 8/1/2011 with acquisition activities. Construction start is currently planned for 6/1/2012 and construction completion is currently scheduled for 12/12/2013.</p> <p>The project's current financing commitments include equity from the sale of low-income housing tax credits. If approved, the project will also use existing WCDA capital reserves, as well as a note from the WCDA. The project has also applied for Affordable Housing Program (AHP) funds through the Federal Home Loan Bank of Chicago.</p> <p><u><i>Disposition Plan and Timeline</i></u> The WCDA will move forward with disposition activities during the PHA Plan year. A formal disposition application will be submitted and approved by the HUD SAC office prior to the commencement of disposition activities. This application will provide detail associated with rehabilitation, relocation, re-occupancy, resident and stakeholder consultation and support for the project.</p> <p>The WCDA plans to have the disposition application submitted to HUD by December 2011. The HUD SAC office typically provides comments within 30 days and provides approvals for revised submissions within 30 days. The WCDA anticipates a fully approved disposition plan by March of 2012. Under the HUD "streamlined" process, disposition may be realized earlier.</p>

PHA Certifications of Compliance with the PHA Plans and Related Regulations:

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
